Separate accounts shall be established for each separate settlement – including the "Partial Settlement" (documented by the ASA), the LAN Settlement, the VNA Amended Class Settlement, and the Veolia Individual Claimants Settlement. The assets of such separate accounts shall not be co-mingled with other accounts and the assets of such separate accounts shall be used only to pay eligible distributions for fees, expenses, and claim payments with respect to the relevant separate settlement and as authorized by the Court.

3-2 Payments. Distributions from the Fund shall be made solely in accordance with the terms of the ASA and/or Court Order.

3-3 No Authority to Conduct Business. The purpose of the Fund is limited to the matters set forth in Article III hereof, and this Agreement shall not be construed to confer on the QSF Administrator any authority to carry on any business or activity for profit except as set forth in Section 4-2.

3-4 Termination of the Fund. The Fund may be terminated upon: (i) the date on which no assets remain in the Fund; (ii) recommendation and instruction of the Special Master; and (iii) a Court Order(s). Whenever the QSF Administrator or the Special Master determines that the Fund may be properly terminated pursuant to this Article, the QSF Administrator or Special Master will submit a petition for termination of the Fund to the Court. After reviewing the petition, the Court may terminate the Fund or may order the Fund to undertake such further actions as the Court deems necessary and appropriate. Upon Order of the Court, the QSF Administrator shall finalize distributions to Plaintiffs (as defined in each of the ASA, LAN Settlement, VNA Amended Class Settlement, and the Veolia Individual Claimants Settlement), Plaintiffs' Counsel, Lienholders, and any other persons or entities entitled to share in such distributions, including amounts reasonably necessary and approved by the Court to compensate the QSF Administrator and its professional agents for unpaid services and costs of administration, and any funds that may be reserved for the payment of taxes or outstanding charges or fees, upon termination of the Fund. The QSF Administrator is authorized, upon final distribution of all monies paid into the Fund, to take appropriate steps to wind down the Fund and thereafter the QSF Administrator is discharged from any further responsibility with respect to the Fund.

3-5 Amendments, Alterations, and Revocation. The Fund may be amended or altered from time to time or revoked by an instrument in writing executed by the Special Master and the QSF Administrator and approved by Order of the Court.

3-6 Allocation Plan and Distributions. The Allocation Plan shall be designed and approved by a Special Master. The QSF Administrator shall distribute to Plaintiffs, Plaintiffs' Counsel, Lienholders, and any other persons or entities entitled to share in such distributions the amounts

due and owing to them from the Fund available for distribution pursuant to Court Order(s) in accordance with the terms of the ASA, the LAN Settlement, the VNA Amended Class Settlement, and the Veolia Individual Claimants Settlement. The QSF Administrator shall not make any distribution to or for the benefit of a minor or incompetent person, including payment of attorney fees and expenses, except in accordance with the terms of the Amended Settlement Agreement or as ordered by the Court.

3-7 Interests in the Fund. No interest in this Fund may be assigned, exchanged, or transferred in any manner, unless ordered by the Court. In addition, such interests shall not be voluntarily or involuntarily subject to any type of encumbrance, to the maximum extent allowable by law. This shall include, but not be limited to, encumbrances associated with claims of any creditor (in or outside of bankruptcy or other insolvency statutory schemes) under any federal, state, or local laws. Any such interest, if any, shall be made available only upon termination of the Fund.

ARTICLE IV

ADMINISTRATOR MANAGEMENT

4-1 Successor Administrator/Trustee. The initial administrator and trustee of this Fund was ARCHER Systems, LLC, 1775 St. James Place, Suite 200, Houston, Texas 77056 (“QSF Administrator”). A successor QSF Administrator and trustee is hereby being named, Epiq Class Action & Claims Solutions, Inc. d/b/a Epiq Class Action & Mass Tort Solutions (“Epiq”), 10300 SW Allen Blvd., Beaverton, Oregon 97005. Epiq is independent of Defendants and Plaintiffs’ Counsel, and is Court appointed.

4-2 Investment. Except as set forth below in Section 4-4, or in the Amended Settlement Agreement, and consistent with Paragraph 5-3, the QSF Administrator shall invest the principal of the Fund and keep the Fund invested in (i) any obligations of, or any obligation guaranteed as to principal and interest by, the United States of America or any agency or instrumentality thereof; or (ii) U.S. dollar denominated deposit accounts with domestic commercial or national banks that have a short term issuer rating on the date of purchase of “A-1” or better by S&P or “Prime-1” or better by Moody’s and maturing in a time period matched to the projected time period of distributions from the Fund as estimated by the Claims Administrator after the date of purchase (provided that ratings on holding companies are not considered as the rating of the bank); or (iii) money market accounts or money market funds registered under the Federal Investment Company Act of 1940, whose shares are registered under the Securities Act, and rated “AAAm” or “AAAm- G” or better by S&P, and “Aaa,” “Aa1” or “Aa2” if rated by Moody’s, including any mutual fund for which the QSF Administrator or an affiliate of the QSF Administrator serves as investment manager, administrator, shareholder servicing agent, and/or custodian; or (iv) any obligations of, or guaranteed by, domestic or international corporations, provided that they are rated investment grade by either S&P and/or Moody’s rating services, and that the rating restriction must be maintained upon purchase as well as for the investment holding period. The duration of such investments shall match the projected time periods of distributions from the Fund as estimated by the Claims Administrator. All interest on or income realized by investment of the sub-accounts of the Fund or

any portion hereof shall be accumulated and added to the appropriate sub account. While the Fund Administrator shall employ best efforts to avoid investment losses, any investment losses realized by investment of Fund or any portion thereof shall be charged to the Fund. To the extent the QSF Administrator invests any funds in the manner provided for in this Section 4-2 (“Eligible Investments”), no Party hereto (including the QSF Administrator) shall be liable for any loss(es) which may be incurred by reason of any such investment (or reinvestment) including, but not limited to, loss(es) that occur due to decreases in account value as a result of negative yields on direct or indirect investments in Eligible Investments. If such losses should occur and the Fund is unable to make full and complete distributions in accordance with the ASA, the LAN Settlement, the VNA Amended Class Settlement, or the Veolia Individual Claimants Settlement, Defendants will have no obligation to pay additional sums into the Fund. Such funds should be invested such that the following investment policy is implemented, as appropriate: (i) safety of principal; (ii) zero bank balance exposure through use of custodial/trust accounts (to avoid the risk of bank deposit forfeiture); and (iii) zero sweep disbursement accounts.

4-3 Definition of Money Market Account. For purposes of this Article, “money market account” shall mean a money fund whose objectives are (a) current income consistent with liquidity and low risk, (b) the maintenance of a portfolio of high quality, short-term money market instruments, and (c) maintenance of a constant \$1.00 net asset value per share. All investments shall be made so as at all times to provide sufficient liquidity to meet the anticipated cash needs of the Fund. In investing, reinvesting, and exchanging, selling, and managing the Fund, the QSF Administrator shall discharge its duties with respect to the Fund solely in the interest of the accomplishment of the purposes and objectives of the Fund.

4-4 Collection of Funding Instrument. QSF Administrator is authorized to deposit funding instrument(s) into an FDIC insured bank, approved by Plaintiffs’ Counsel, even though the amount of the deposit exceeds the current FDIC insured deposit amount for that single Qualified Settlement Fund account for such time as it takes to collect on said funding instrument. Once the funding instrument is collected and made available by the depository bank, the QSF Administrator shall as soon as practical move the proceeds into one or more of the accounts described in 4-2 above. The parties have selected Huntington National Bank as the depository bank (“Bank”).

4-5 Reporting to the Court. The QSF Administrator shall report to the Special Master and Court in writing with respect to any matter arising from the administration of the Fund that the QSF Administrator deems advisable to bring to the attention of the Court or upon request of the Court. The QSF Administrator shall create and maintain records of the QSF Administrator’s activities arising from this Agreement and any Orders of the Court. The records shall be created and maintained in a manner that is ordinary and customary for the obligations imposed by any Court Order, and this Agreement. Copies of the records shall be provided to the Court upon its request, subject to any privileges or other protections. Any privileged or otherwise protected material shall be provided under seal to the Court. In furtherance of the QSF Administrator’s reporting obligations, within a reasonable time, the QSF Administrator shall cause to be prepared after the end of each month an accounting containing unaudited financial statements of the Fund, including, without limitation, a balance sheet, a statement of receipts and disbursements, interest, and holdings. The QSF Administrator shall establish a Secure File Transfer Protocol (SFTP) or similar secure method by

which to submit monthly reports to the Special Master, Plaintiffs' Counsel, and Defendants' Counsel.

The QSF Administrator shall be empowered to petition the Court after notice to the Settling Parties for modification of the Articles of this Agreement (including Attachments hereto) if the QSF Administrator determines that such modifications are necessary to conform to legal, tax, or administrative requirements. This Agreement amends, restates in its entirety, and supersedes the prior FWC Qualified Settlement Fund agreement signed by the parties in March 2021, and that was approved by order of the United States District Court for the Eastern District of Michigan (Judge Judith E. prudent investor rule, and any valid Court Order. This indemnification and hold-harmless provision shall cover all expenses reasonably incurred by such QSF Administrator in defense of the aforementioned acts or omissions of the QSF Administrator.

ARTICLE X

ARTICLE XIII

TAX ISSUES

13-1 Generally. The parties intend that the Fund shall be a Qualified Settlement Fund under IRC § 468B and Regulations §§ 1.468B-1, *et seq.* The QSF Administrator shall take no actions that are inconsistent with the Fund's status as a Qualified Settlement Fund under Section 468B of the Internal Revenue Code, 26 U.S.C. Section 468B, and the Regulations promulgated pursuant thereto and codified at 26 C.F.R. Sections 1.468B-1 through 1.468B-5. Further, the QSF Administrator may

petition the Court to amend, either in whole or in part, any administrative Article of this Agreement, which causes unanticipated tax consequences or liabilities inconsistent with the foregoing. Section 461(h)(1), and Regulation Section 1.461-1(a)(2), 26 C.F.R. Section 1.461-1(a)(2). As such, Defendants shall not be taxed on the income of the Fund. The Fund shall be taxed on its modified gross income, excluding the sums, or cash equivalents of things, transferred to it. In computing the Fund’s modified gross income, deductions shall be allowed for, *inter alia*, administrative costs and other incidental deductible expenses incurred in connection with the operation of the Fund, including, without limitation, state and local taxes, and legal, accounting, and actuarial fees relating to the operation of the Fund. All such computations of the Fund’s modified gross income, as well as any exclusions or deductions thereto, shall be compliant and consistent with Treasury Regulation Section 1.468B-2(b)(1)-(4), 26 C.F.R. Section 1.468B-2(b)(1)-(4). The QSF Administrator shall pay all taxes and associated expenses with those taxes from the Fund without the need of a Court Order.

Section 1.468B-2(k). Furthermore, in accordance with the provisions of Treasury Regulation Section 1.468B-2(l), 26 C.F.R. Section 1.468B-2(l), the QSF Administrator shall cause to be filed all required federal, state, and local information returns and ensure compliance with withholding requirements. The QSF Administrator may retain independent, certified public accountants to consult with and advise the Administrator with respect to the preparation of any and all appropriate income tax returns, information returns, or compliance withholding requirements. Defendants (or some other person on behalf of Defendants) shall supply to the QSF Administrator and to the Internal Revenue Service the statement described in Treasury Regulation Section 1.468B-3(e)(2), 26 C.F.R. Section 1.468B-3(e)(2), no later than February 15 of the year following each calendar year in which Defendants make a transfer to the Fund. The QSF Administrator shall, upon request, prepare and deliver to Defendants’ and Plaintiffs’ Counsel, within ten days of any such request, financial statements for the Fund, including receipts and disbursements and earnings.

13-3 Savings Provision. Notwithstanding anything herein to the contrary, in the event that any portion of this Agreement shall at any time be considered not to be in compliance with Internal Revenue Code Section 468B, as amended, together with any and all Treasury Regulations and Internal Revenue Service Notices, Announcements and directives thereunder, such offending Article of this Agreement shall be considered null, void, and of no effect, without any action by any court or by the Administrator. The overarching purpose of this Agreement is to create a Qualified Settlement fund that is at all times in compliance with Internal Revenue Code Section 468B and all

administrative authority and announcements thereunder. In the event that this Section 13-3 applies to render an offending Section null, void, or of no effect, the remainder of this Agreement shall not be affected thereby, and each remaining term and Section of the Agreement shall be valid and enforced to the fullest extent permitted by law.
